ToolsGroup provides inventory optimization solutions to large multi-nationals such as Diageo, Avon and Cadbury Schweppes, as well as smaller regional businesses. By correctly setting safety stocks and improving daily forecast accuracy, ToolsGroup customers achieve "service level excellence" (up to 99 percent or more) and top line growth with less global inventory.

FAST FACT: In 2007, ToolsGroup was named on Food Logistics' "FL 100;" Manufacturing Business Technology's "Top 40 Emerging Software Vendors" and the Global Logistics & Supply Chain Strategies' "Top 100 Great Supply Chain Partners."
